

2009 Clean-up Day Totals

Thank you to the residents who made Clean-up Day possible. This service could not happen without the help of the volunteers who graciously give of their time and energy. If you appreciate and use clean-up day, please consider volunteering 2 hours - once a year - so the Township can continue this service AT NO CHARGE to residents.

For your information here is what was billed to the township for the June clean-up day.
